SUMMARY

I am an enthusiastic Computer Science student passionate about software development, robotics, and IoT innovation. Eager to apply my theoretical knowledge in real-world scenarios, I continuously seek opportunities to expand my skills and contribute to technological advancement.

PROJECTS

React Chat App

- Created a real-time chat application using React.js and Python, enabling seamless user communication with features like user authentication, message storage, and real-time updates.

Substance Sentry

- Developed a mobile application with React-Native that provides resources and assistance to individuals struggling with drug and substance abuse, offering features to educate, prevent, and support affected individuals.

AirBnB clone

- Developed an AirBnB clone console version with Python, HTML, and CSS, focusing on backend development and interfacing with a console application using the Python cmd module.

You can find out more about my projects on my github account <https://github.com/wilson3centaurus>

HOBBIES

Robotics and IoT
AI and Machine Learning
Professional Gaming
Website and Mobile App Design
Ethical Hacking

EDUCATION

Bsc. Hons in Computer Science

Manicaland State University of Applied Sciences
Sep 2022 - Dec 2025

CERTIFICATIONS

Full Stack Software Engineering Course

ALX Africa - Holberton School 2025-02-14

SKILLS

HTML / CSS

JavaScript

C++

Node.js

React

React-Native

Python

MySQL

Git / Github

PHP

Linux

Flask

Bootstrap

Raspberry Pi / Aduino

Firebase Database

REFERRAL

Mrs Caroline Ruvinga

Designation: Chairperson

Department: Computer Science and Info Systems

Email: caroline.ruvinga@staff.msuas.ac.zw

Phone: +263 77 593 6673

Mr. Solomon Marime

Designation: Lecturer

Department: Computer Science and Info Systems

Email: solomon.marime@staff.msuas.ac.zw
